

## 100% ACRYLIC WATERBORNE CERAMIC

This premium waterborne 100% acrylic/ceramic reinforced interior finish incorporates the latest in coatings technology today. Its unique formulation provides exceptional hiding power along with outstanding product attributes. The ceramic additive provides additional stain resistance, durability and washability that separate this finish from standard acrylic paint technology. Ease of application, featuring anti-spatter additives sets the standard for flow, leveling and adhesion. It provides excellent color retention, non-yellowing film and moisture resistance, thus making it the ideal coating for any room in the home, office or commercial building.

**RECOMMENDED USE:** Use on all interior new or previously painted surfaces, such as wood, brick, stone, concrete, cement block, plaster, wallboard and other drywall construction as well as metal.

- High Hiding
- Mold & Mildew Resistance<sup>†</sup>
- Superior Washability
